Phase One - Consultation

After you send us your inquiry with general information such as the wedding date, estimated guest number, and preferred venue, our Wedding Consultants will revert to you with a preliminary proposal with our recommended arrangements. The proposal will help you put your ideas together so you can picture how your big day can be.

Once you are happy with the arrangements, you can confirm the wedding by filling in the reservation form and settling the deposit.

Phase Two - Planning

The wedding date, time slot, and venue has been confirmed and now you're ready for the planning.

We will assign you a dedicated Wedding Planner who will be the go-to person for anything related to your special day.

To start you off, we will send you a questionnaire to fill or interview you which will allow us to provide you a more detailed proposal. With this proposal as a guide, you can further discuss the styling, catering, ceremony style, dinner layout, entertainment and more until you are happy with the final arrangements.

Phase Three - Wedding Day

The day is finally here! On this day, our teams led by your Wedding Planner will guide you and execute everything in the background while you exchange your vows and share the precious time with your closest and dearest.
