# THE BEAUTY OF SCENT & SIGHT

PREMIUM REED DIFFUSER

PRODUCT CATALOGUE 2021

# REAL FLOWERS

IN

*Sesuvium portuacastrum*

*Hydrocotyle*  
a shrub or climbing plant with rounded or flattened flowering heads of small flowers, native to Asia and Australia.

*Bouteloua Grass*  
Lagotis is a genus of Old World plants in the grass family, native to the Mediterranean Basin and nearby regions, from Africa and the Canary Islands to Crimea and Saudi Arabia. It is also naturalized in Australia.

Unknown

*Piper nigrum*  
The Blackest long pepper or Java black pepper is a flowering vine in the family Piperaceae, cultivated for its fruit, which is usually dried and used as a spice and seasoning.

*Reseda rosea*

*Stenopogon Grass*  
Sesuvium is the application of synthetic organic chemicals produced by the plant, which are used as a preservative under various plant and products.

*Cassipoupa*  
Cassipoupa is a genus of 27 tree species in the family Cassipoupiaceae, native to Australia, the Indian subcontinent, Southeast Asia, and parts of the western Pacific Ocean and eastern Africa.

Unknown

*Cinnamomum stick*  
The bark (outer outer covering) of a tropical tree, or a large woody shrub from this, used as a spice to give a particular taste to food, especially sweet food.

Unknown

*Reseda rosea*

Unknown

*Rose*  
a prickly bush or shrub that typically bears red, pink, yellow, or white fragrant flowers, native to northwestern regions and widely grown in the tropics.

*Piper nigrum*  
The Blackest long pepper or Java black pepper is a flowering vine in the family Piperaceae, cultivated for its fruit, which is usually dried and used as a spice and seasoning.

*Daisy*  
a small European grassland plant which has flowers with a yellow disc and white rays.

*Grewia perfoliata*  
Commersonia bartramia is the cultivated and commercial, pseudocereal, of species of flowers within the genus Sphenocladia (tribe S. bicolor).

# THE FRAGRANCE

Inspired by the four seasons of Japan, uniquely real flowers in the fragrance. We believe that living is an art. Its simplicity and its complexity is a lifetime learning journey. At Botanica, we want to create not just healthy home living but experiences of life

はじめまして

We called it “Nice to meet you” concept.

### **Decorative and presentable**

Content using real preserved flowers and natural plant extracts. 100% Alcohol free. It is garden scents to greet you and your guests at home or office.

### **Design with user experience in mind**

When your sensory is used to a scent, it will be less noticeable. The wooden cap from selected diffusers become scented after absorbing the fragrance from the reed sticks and will slowly amplify the scent to welcome you back. Moving the scented wooden cap to your car, you get to enjoy the scent at home and on-the-go, delighting you always.

## **The beauty of scent and sight**

Our Herbarium Gel Light series are decorative and scented. Scent strength can be enhanced by pouring matching liquid fragrance on top of the gel. No fire, No heat, Wind proof ambient candle light effect for indoor and outdoor use. A must-have to create a sense of togetherness and impression for any special celebration.
