WEDDING STYLIST

about us

Behind the Vows is a wedding conceptual & stylist, dedicated to make your “Once in a Lifetime” unique and beautifully personalised. Founded in 2019 by two best friends who styled and helped each other’s wedding, we later realised our love and passion in styling a wedding. Not stopping there, we wanted to turn our new-found hobby into a profession.

We believe what makes every wedding different is the couple; your chemistry, personality, and taste. We are a team of detail-oriented people who put extra attention on wedding aesthetics. We help couples do the research and give suitable recommendations, from wedding concept creation down to vendor selection. We will find vendors based on your style and budget, because as much as we care about aesthetics, we truly understand that everyone has different priorities. By combining your personal taste and our skills, without doubt, your wedding will be unforgettable and most importantly defines YOU!

OUR SERVICES

Josh,
Today I give myself to you.
I promise to encourage and inspire
you. To laugh with you, and comfort
you in times of sorrow and struggle.
I promise to love you in good
and in bad, when life seems easy
and when it seems hard, when our
love is simple and when it is an
effort. I promise to cherish you
and to always hold you in highest
regard. These things I give to you
today and all the days of our life.

Forever only yours
Julie
