Let's take part in preserving the earth
together with BUM?

BUM?

Reed diffuser is a popular way to add constant fragrance to your home without the use of heat or flame.

Reed diffuser offer a more subtle and atmospheric aroma using a simple wick system: essential oil seeps up through reeds or sticks, dispersing scent into the air.

BUMI's reed diffusers use 100% natural essential oil, high quality ratan sticks, and decorative glass bottle.

BUMI's reed diffusers are harmless! No Flame, No aerosol, No Power, No Residue.
