

# *Lily's Pearl*

---

You can see the magic if you keep believing. Just like how diamonds are made under pressure, pearls are formed by parasites.

Lily Purnama's deep captivation for South Sea pearls began in 1998 and paved the way for Lily's Pearl longstanding legacy of design, curation and exploration.

# PEARL RING

A celebration of craftsmanship and timeless beauty, this collection showcases the natural elegance of pearls in intricately designed settings. Each ring features a lustrous South Sea pearls, embraced by delicate silver or rhodium-plated floral-inspired bands, adorned with shimmering stones.
