

MIMMORABLE

WEDDING STYLIST & CONCEPTOR

Wedding preparation can be

overwhelming

sometimes

From selecting the vendors, choosing the wedding venue, and picking what style and concept that you want for your wedding. You can get lost in what your dream day will look like. But worry not, to get rid of your burden, simply leave all the hassle to us. We will create a special design concept for each couple, based on your story, personality and character.

From the very beginning of the process, we will assist you and ensure the details and aesthetic of your wedding day match the moodboard. Because, at the end of the day, we want to help make your dream day **"memorable"**.

WEDDING STYLING

start from
20 MIO

We will work closely with you and your partner to create a mood board that reflects your personalities. The moodboard will be used to help you visualize your wedding as well as provide inspiration for vendors.

The goal is to make sure that the details of your event are in alignment with the vision we have discussed. From color palette, decoration, attires to little details such as types of flowers, invitation and souvenirs design. And on your wedding day, we will help you keep everything coordinated from start to finish.
