INTRODUCTION

Hallo, We are Kioku Visual

Thank you for reaching us. It is an honor to be on the list of photographers you are considering.

We are a group of young visual artist united by passion, creativity and sincerity. We are Lombok-based wedding visual storyteller with countless experience capturing the most beautiful fairy tales in the universe. We find ourselves in love to capture the crazy feeling of love, the sacred oath full of tears and all the emotions shown into a timeless memory. It's how we create alluring masterpieces and touch everyone hearts.

For us, photography is honesty. We yearn to let the stories be captured as raw and honest in front of our lens. How beautiful your love. How big your smile. How many tears you shed. That forever moment immortalized in an image and stored inside a frame. What we capture will remain forever and still remember the little things as time goes on.

We are incredibly blessed to have a chance to be part of your special day. We acknowledge that it is once in a lifetime moment and can't be repeated. Therefore, we will be there with you, every step of the way to guarantee all of your special moments are captured-well. We offer you quality in one hand and responsibility in the other hand. So, you can trust us and just enjoy your happy day with no worry.
