. Order minimal 2,5 bulan sebelum nya, karena handmade soap membutuhkan proses "storage/curing" yang cukup lama yaitu 5 - 6 minggu sebelum benar2 dapat digunakan. Waktu "curing" terhitung setelah sabun selesai diproduksi.

. Kami menghindari pemakaian plastik, sehingga sabun tidak dibungkus dengan plastik terlebih dahulu apabila tidak ada request. Selain untuk mengurangi pemakaian plastik, sabun sendiri dianjurkan untuk disimpan di tempat penyimpanan yang mempunyai ventilasi udara cukup sehingga bisa tahan lebih lama.

. Design untuk tag dan label akan disesuaikan dengan design dari Invitation / Undangan. Apabila ada permintaan design lain dari customer, akan ada tambahan biaya design sesuai dengan permintaan customer.
