

Ubersnap

Capture and remember your event, with innovative photo and GIF experiences.

Be the hero of your event.

When you plan an event, you want to give your guests an experience to remember. That means working with new and interesting ideas. Like you, we were disappointed by the lack of innovation in event photography. That's why we built Aura, so you can have the most advanced photo booth in the world.

Work with us and feel the pride of making a killer event.

Your partners should give you peace of mind.

Nobody should have to experience the frustration of working with an uncommunicative partner. You get lightning-quick service with us. With a Net Promoter Score® of over 80, you're working with one of the most highly rated companies for customer satisfaction - in any industry in the world. You're also

backed by the industry's only service guarantee.

Trusted by the world's best companies.

Event photography & videography

Meet Aura, the most advanced photo booth in the world.

Designed and made in Singapore, by the inventors of the GIF booth with holographic prints. This is where beauty meets cutting-edge technology.

Photos or GIFs, the way you want it.

Aura was designed to give you the perfect photo booth experience, whether you want photos, GIFs or both at your event.

[See all features in product brochure.](#)

Photo booth

Aura takes incredibly clear and beautiful photos, and rapidly prints them out on industry-standard 4R photo paper.

GIF booth

Aura engages you with interactive Boomerang-style GIFs—so you can move, dance and laugh at our photo booth. Walk away with one-of-the-kind holographic prints or industry-standard photo strips.

Nothing more memorable than a holographic print.

You want to help your guests capture and remember your event, with innovative photo and GIF experiences. Give them something they've never seen before—our one-of-the-kind holographic prints.
